

Fact Sheet

Université de Technologie de Troyes

International Relations Department
12 rue Marie Curie, CS 42060 10004
Troyes Cedex, France
<http://www.utt.fr/en/index.html>

General information

UTT's core missions are to conduct research, deliver education & training and facilitate technology transfer. UTT is a French institution of higher education established in 1994. It is today one of the largest engineering schools in France. Over 3,000 students altogether are registered at the University, enrolled in undergraduate, postgraduate and doctoral study programs.

Customized study programs

The standard five-year engineering degree program, which is accredited by France's independent engineering degree accreditation body, the CTI, can be tailored to each student's individual career objectives as from the first year. UTT offers seven engineering programs, a master's program with the choice of nine specializations, a PhD research program in three different fields, as well as dual apprenticeship which combines academic study with paid workplace learning (leading to a vocational, an engineering or a master's degree).

- [CONTROLANDCOMPUTER ENGINEERING \(A2I\)](#)
- [INDUSTRIAL SYSTEMS \(GI\)](#)
- [INFORMATICS AND INFORMATION SYSTEMS \(ISI\)](#)

General information for students

Website for exchange students	https://www.utt.fr/international/study-at-utt/application-procedure/
Website for course offer	UTT offers some courses taught in English : https://www.utt.fr/international/study-at-utt/courses-in-english/ All courses taught at UTT; see full catalogue of credit courses at : https://www.utt.fr/international/study-at-utt/academic-programs/academic-programs-12136.kjsp
Departments open to exchange students	All faculties and all courses (in French or in English) are open to exchange students at the undergraduate and graduate levels if they meet the courses requirements. Courses may be selected from different programs.
Credits equivalent to full time studies per semester	30 ECTS (about 6 courses)
Grading System	See exchange students guide brochure at: https://www.utt.fr/international/study-at-utt/academic-programs/academic-programs-12136.kjsp
Issuance of the transcript of records	A transcript of Records will be issued within 5 weeks after the assessment period has finished.
Website for application process	https://www.utt.fr/international/study-at-utt/application-procedure/
Nomination (by-email) and application deadlines (via an online platform)	April 15: Fall semester (September-January) October 15: Spring semester (February-June)
Admission board	The acceptance and visa letters are delivered after the admission board (after May 15 th)
Application documents	<ol style="list-style-type: none"> 1. Passport 2. Academic transcript from home university 3. English proficiency certificate (non-mandatory) 4. Passport Photo size <p>Additional documents for degree seeking students:</p> <ol style="list-style-type: none"> 1. Motivation letter 2. Recommendation letter 3. Curriculum Vitae 4. Proof of French language certificate (B1 minimum) for non-native speaker only 5. Description of the courses followed at home university until now
Language requirements for undergraduate and graduate students	B1 of English if the student intends to enroll in courses taught in English. B1 of French if the student intends to enroll in courses taught in French. No proof of language test is required (for exchange students).

<i>Housing assistance for incoming students</i>	UTT have an online services platform dedicated to practical organisation in order to help you prepare for your arrival in Troyes. Our trustworthy partner is specialized in assisting foreign students to prepare for their arrival at university in France. Access to this platform is only open to students who are admitted to UTT. Since UTT is subscribing and paying for this platform, UTT accommodation partners are available on the platform. If you requested help from UTT to find accommodation in your application form, you must use the platform.
