

3 or 4 Week Intensive course in August or February

Presentation

What is the 3 or 4-week intensive course?

The intensive French language course takes place before the start of each semester and is completed by weekly sessions (from 4 to 8 hours) throughout the semester. For students with a good language level, these courses will enable them to study in French while for others, they will provide them with the necessary skills to function at ease within the French society.

When does the intensive course take place?

- Last week of January to 3rd week of February (3 weeks)
- 1st week of August to last week of August (4 weeks)

Who can participate in this intensive course?

Exchange students are strongly advised to participate before their exchange semester. It is also possible for students coming from our partner universities to come only for the 4 weeks and go back to their home university for their regular semester. Please note that there is a limited number of places.

Can teachers, professors and administrative staff join in?

Teachers, professors and/or administrative staff from partner universities are welcome in the program (limited number of places).

What can this experience bring to students?

The 3 or 4-week intensive French language course has been created to facilitate the students' cultural, social and academic integration at the UTT and in France.

The *Psycho-social skills for a Sustainable management* course is also offered in English during both periods.

What is the importance of the intensive course for exchange students?

Exchange students are welcome to the UTT for a period of study or a project in a laboratory. Before the start of the regular semester, we strongly recommend that students enroll in the program (the French intensive course and/or Project management) in order to learn/improve their French language as well as to adapt to their new environment.

How much are the tuition fees for the courses?

Course tuition fees are waived for students and staff coming from partner universities (depending on the exchange balance).

How to go to the UTT on arrival in France?

To benefit from a welcoming in France students must:

Arrive during the official arrival dates according to their participation or not to our intersemester program. Submit their arrival-form (online platform) before the deadlines. Students must schedule their flight to France according to the pickup offer: a bus comes every official arrival dates to pick up the students at 3:00 pm in CDG (Paris – Roissy Charles de Gaulle airport). The bus takes the students to Troyes where the International Center member

staff welcome the students and drive them to the accommodations. It is very important for the International Center to know the exact day and time international students expect to arrive: compulsory to contact the International Center in case of missing connecting flight or train. **WARNING:** There is no other pick-up offer so students must read and respect all the conditions. Minor students must arrive in the UTT with their tutor in order to deal with any administrative documents related to their accommodation and registration to UTT.

Application

How to apply for this intensive course?

Students can register online on the UTT website and send their completed application form to the International Center at UTT. Please use this link: [Online application for exchange at UTT.](#)
